## Party Fun News Post Hot Off the Press

Friends and Family Gather to celebrate the Grand Opening of Shelby's Glamour Diva Boutique on May 9, 2009.

Shelby, President describes the business as the area's FULL service Glamour Diva Boutique.

What's unique about this business is that it comes complete with a couple party hostess to give the Diva a complete Glamour Diva makeover with beautiful dresses and gowns, shoes, nails painted, hair up-do's to include wigs, hair sprays and hair accessories, perfume bar, jewelry station and makeup stations. Shelby announced that after the girls get beautified that they are ready to shop at her store.

The Glamour Diva Boutique carries a wide range of Diva products to include body glitter, bath gels, nail polish, lip gloss, jewelry, beautiful picture frames, Glamour Diva purses and unique products to include novelty ink pens and everything girly girl Glamour Diva style!

We are not done. This is the only store that we know of that you can also eat! The party hostess sets up the table area with beautiful tableware from Europe complete with diamond confetti, beautiful diamond napkin rings, wonderful centerpieces, silverware, big diamonds and more. This is truly spectacular.

Shelby said that after shopping in her store the girls can go to her Glamour Diva lounge complete with novelty pillows and teen magazines. You relax and talk with your friends as you share fun pictures that the party hostess took through out the day.

Young Entrepreneur Shelby credits her idea of the Glamour Diva themed Party/Boutique to her Diva Mom Cindy and Party Fun Hostess for helping to make her store a future multi-million dollar industry.
